

CitiFX Pro Offers Free Access to Autochartist

Leading Pattern Recognition Tool Now Available to CitiFX Pro Clients

NEW YORK-- Citi today announced CitiFX Pro, Citi's online [forex trading](#) platform for active individual and small institutional traders, is now offering customers free access to Autochartist, a widely used pattern recognition tool, to enhance their trading experience. CitiFX Pro clients who access Autochartist will be alerted to interesting chart patterns to help them make trading decisions.

"Autochartist is proud to be associated with a reputable global forex institution like CitiFX Pro," said Ilan Azbel, CEO of Autochartist. "CitiFX Pro clients can now benefit from the best in ground-breaking trading tools to draw on important market information."

"Automatic pattern recognition is a service that traders value a great deal," said Sanjay Madgavkar, Head of CitiFX Pro. "CitiFX Pro's goal is to offer our clients the best trading tools available and today's announcement with Autochartist is yet another way we are living up to that commitment."

Autochartist identifies chart patterns across multiple currency pairs and time frames. It detects a wide range of patterns in real time as they complete and highlights emerging patterns that offer early trading opportunities.

CitiFX Pro delivers highly competitive pricing and liquidity to active individual and small institutional traders. Customers can trade 130+ currency pairs on proprietary web, mobile and desktop platforms as well as MetaTrader, the global leader in programmatic FX trading. In addition, customers receive Citi's award-winning research and FX market commentary, free of charge. To learn more about CitiFX Pro and sign up for an account visit www.citifxpro.com.
