Trading foreign exchange involves a high degree of risk. CitiFX Pro offers trading on margin. The leverage created by trading on margin can work against you as well as for you, and losses can exceed your entire investment. Before opening an account and trading, you should ensure that you understand the risks and can withstand the losses and that you seek advice from your advisors as appropriate.

CitiFX Pro is a service offered to you solely by Citibank N.A., New York, 390 Greenwich Street, New York, NY 1003 and not by any other branch, subsidiary, or affiliate of Citibank N.A. including Citibank (Hong Kong) Limited and Citibank N.A. Hong Kong branch. Citibank N.A. is an entity organized under the laws of the United States of America. Please visit www.citifxpro.com/asia and review the Full Risk Disclosure and Privacy Disclosure carefully before opening an account.

CitiFX Pro provides target bid/ask spreads from 1.2 pips in EUR/USD. This is available under normal market conditions. In periods of extreme volatility or poor liquidity, the spreads may be increased and auto-execution amounts may be reduced (in some cases, auto-execution may be disabled altogether and deals will be routed for manual execution). For details, please visit www.citifxpro.com/asia/spreads.

You should note that margin funds transferred to an account of Citibank NA in Hong Kong in respect of CitiFX Pro are not currently protected by the Deposit Protection Scheme in Hong Kong.
