

CitiFX Pro Launches on MetaTrader

Superior Liquidity and Competitive Pricing for MetaTrader Clients

NEW YORK, Oct 05, 2009 (BUSINESS WIRE) -- Citi today announced CitiFX Pro, Citi's online foreign exchange (FX) trading platform for active individual and small institutional traders, is now available on MetaTrader, the global leader in technical analysis and programmatic FX trading. CitiFX Pro will enable MetaTrader's rapidly growing global user network to realize reliable round-the-clock liquidity and highly competitive pricing. More information is available at www.citifxpro.com/meta.

"CitiFX Pro is an ideal fit for the MetaTrader community," said Sanjay Madgavkar, Head of CitiFX Pro. "MetaTrader users around the world can now benefit from the liquidity and pricing benefits of trading with Citi, a global leader in FX".

"MetaTrader is delighted CitiFX Pro will be available to our clients," said Gaies Chreis, Deputy CEO of Metaquotes. "This is a tremendous opportunity for MetaTrader users to develop a relationship with the premium name in FX trading".

Boston Technologies, a leader in technology for the retail FX business and small institutional space, is providing the technology and the customer support required to connect CitiFX Pro with the MetaTrader community.

MetaTrader provides a user-friendly trading interface that includes technical analysis, charting and Expert Advisor programs which allow users to create either a personalized trading system or deploy third party pre-programmed trading systems.

CitiFX Pro offers clients the ability to access state-of-the-art trading capabilities in more than 130 currency pairs in addition to award-winning research and FX market commentary free of charge and 24-hour personal customer support. CitiFX Pro also offers unlimited FDIC coverage on US dollar margin deposits. To learn more about CitiFX Pro and sign up for an account visit www.citifxpro.com.
